

Economic Resiliency Scenario Exercise BEFORE THE EVENT

- People #1
 - Roster/scheduling
 - Communicate and communications
- Plant
 - Execute protective actions
 - Prepare (clean drains, batteries, etc.)
 - Consider loss of utilities (power, sewer, water, internet, phone)
- Review plans, check alternate locations

Economic Resiliency Scenario Exercise AFTER THE EVENT

- People #1 again
 - Communicate and communications
 - Employees/customers, business contacts
 - Social media
- Assess situation, plant and people (is it over?)
- Get emergency supplies (fuel, etc.)
- Financing/insurance (take pictures, even before)
- Contact supply chains
