

# STRATEGIES FOR RESILIENT BUSINESSES: ENSURING A GOOD ECONOMY AFTER A BAD STORM

## BUSINESS CONTINUITY WORKSHOP FOR REGIONAL ECONOMIC RESILIENCY

**TUESDAY, FEBRUARY 3, 2015**

7:00-7:30 AM Registration & Breakfast

7:30-11:00 AM Resiliency Workshop

Hosted by Hypertherm at  
71 Heater Road, Lebanon, NH

The Upper Valley Adaptation Workgroup and its partners will be hosting an important workshop with practical and interactive instruction about economic resiliency and business continuity.

The workshop will be featuring national and regional resiliency experts to introduce resiliency planning for businesses.

- Build a resilient economy one business at a time.
- Review lessons learned from severe weather events like Tropical Storm Irene.
- Identify vulnerabilities in a business and how to address them.

Hypertherm will provide tours of its Heater Road facility after the workshop.

**WORKSHOP IS FREE • REGISTRATION REQUIRED • BREAKFAST PROVIDED**
